FLEXSON WALL MOUNT FOR SONOS SUB

The SONOS SUB adds bags of bass to your music, TV and movies, underpinning the performance of the SONOS PLAY SPEAKERS and SONOS PLAYBAR. But this ace of bass doesn't have to take up floor space: with the Flexson wall mount for the SONOS SUB, you can lift it above carpets, skirting boards and more, all without affecting its awesome, sound.

COLOURPLAY SKIN FOR SONOS SUB - WHITE

Our ColourPlay White Gloss skin for SONOS SUB lets you perfectly match your subwoofer with your speakers and décor.

CONNECTIVITY OPTIONS FOR THE SONOS PLAYBAR

A range of extra connectivity options for the single optical input SONOS PLAYBAR. These products enable owners of a wider range of TVs and other sources to enjoy the SONOS PLAYBAR's TV and music-boosting benefits.

CONVERTERS

DIGITAL COAXIAL TO OPTICAL CONVERTER

If your TV (or other source) has a digital coaxial output, this will convert it to the optical audio feed the SONOS PLAYBAR needs.

ANALOGUE TO DIGITAL CONVERTER

If your TV (or other source) only has analogue outputs, this will convert them to the optical audio feed the SONOS PLAYBAR needs.

SWITCHERS

2-WAY DIGITAL AUDIO SWITCHER

Double the SONOS PLAYBAR inputs with this two-way optical audio switcher.

4-WAY DIGITAL AUDIO SWITCHER

Easily connect up to four devices to a SONOS PLAYBAR – e.g. Blu-ray Player, games console, set-top box and TV. Includes remote control to easily switch between sources.
