

ELEVATE TOUR

URC'S ELEVATE TOUR

URC can help elevate your business with powerful, reliable automation products and systems. Inspire customers, speed installations, and drive profitable growth. Learn how in a productive, live, **one-day** training that teaches you how to quickly start using Total Control®.

Total Control Accelerator 3: Level 1

Course Number: TCP301

Level 1 in Accelerator 3 allows you to easily program powerful systems in record time. This session covers the shortest path from system concept to completion using Accelerator 3. You will learn how to program a large scale, up to 8 zone system.

You will receive a Welcome Packet with instructions on the Friday PRIOR to the class.

WOBURN, MA

May 11th, 2023

Professional Audio Associates
14 Everberg Rd
Woburn, MA 01801

*All attendees who complete the training can receive a TRC-1480 and MRX-5 for \$200 (for personal use only).
